

You will find a variety of homeowners in our neighborhood. Many are here full time; some are here for only part of the year while others are renting for a period. No matter what their status, we try to be friendly, helpful and harmonious in our dealings with each other. The goal of the Board of Directors is to make owning a home at Faro Blanco Condominium Association an uncomplicated and pleasant experience.

Therefore, being pro-active in informing all owners about issues and updates is key. The most efficient and timely form of communication is email. We assure you, all unit owners, that The Association does not sell or forward your email address or any other type of unit owner contact information to anyone. All communications will be by “blind copy” so that no one will see individual unit owner addresses. The Association understand and respect all unit owners privacy and follows all privacy laws. We ask that you keep us informed of any change in resident status, mailing address, or phone number changes. If you have e-mail or cell phone numbers for easier access, we appreciate that information as well, for emergency use by Board members only.

If unit owners have a property manager, we ask that their name and email address be provided also. This allows the Association a contact in the event we have maintenance work or other issues that may effect a unit owner’s property during a unit owners absence and or during tenant occupation.

The Association will email and post notice of the Board meetings at least 48 hours in advance of the meeting, unit owners are encouraged to attend and participate. Annual Meeting and Budget Meeting notices are emailed, mailed to all owners and posted well in advance of the meetings. We also offer a website where unit owners can access, notices, meeting minutes, etc..., the website also provides general information that is available for public viewing. Go to www.fbcondo.com to check out the website, if you are an owner and you haven’t registered we encourage you to do so.

Please feel free to contact any Board Member with your questions or attend our monthly Board meetings. Contact any board member for the next meeting date and location. These meetings are open to property owners but we ask that you call the president if you plan to attend so we can add you to the agenda and let us know the topic you wish to discuss.

This is a list of our most frequently ask questions and a few basic rules and regulations.
